Ranking Bonus Example

This example is based on users subscribing to the APEX AI Agent and claiming the daily check-in bonus. The ranking bonus is calculated based on the base daily yield of 0.6% only.

Note: Daily check-in rewards are considered personal extra rewards only and are not included in dynamic performance calculations.

ORCA 5 Ranking Example:

Zone A

$\$360,000 * 18\% \text{ per month} * 10\%$
= \$6,480 per month

Zone B

$\$350,000 * 18\% \text{ per month} * 10\%$
= \$6,300 per month

Zone C

$\$350,000 * 18\% \text{ per month} * 10\%$
= \$6,300 per month

Zone D

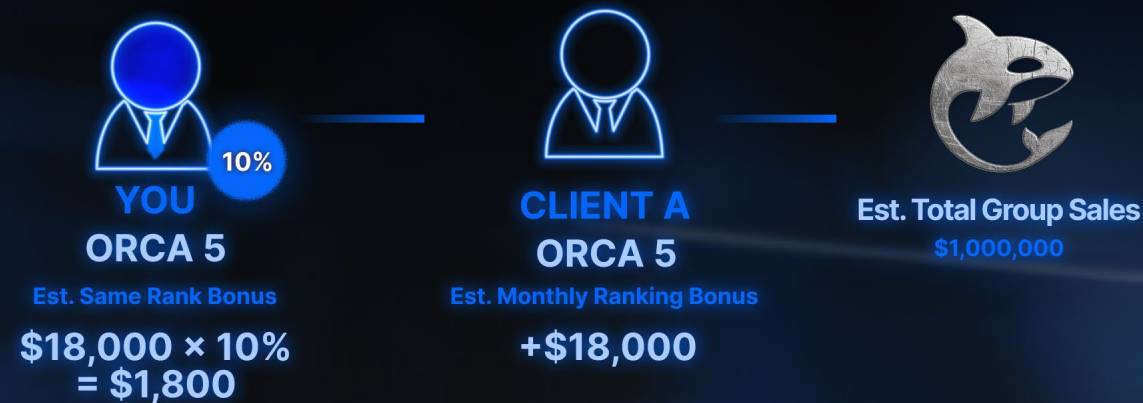

$\$300,000 * 18\% \text{ per month} * 10\%$
= \$5,400 per month

Total Ranking Bonus:

\$24,480 per month

Same Rank Bonus Example

The Same Rank Bonus is designed to reward long-term leadership and network stability. When your direct client achieves the same rank or a higher rank than you, the platform will allocate 10% of their ranking bonus to you as a loyalty incentive.

Same Rank Bonus mechanism ensures leaders can continue earning while supporting and developing high-performing teams. The Same Rank Bonus is applicable starting from Rank 3 and above.

ORCA 5 Ranking Example:

ORCA 5

$\$1,000,000 \times 18\% \text{ per month} \times 10\%$
= \$18,000 per month

YOU

$\$18,000 \times 10\%$
= \$1,800 per month

Total Same Rank Bonus:

\$1,800 per month

Global Bonus Pool

Orca operates **5 exclusive Global Bonus Pools** reserved for top-ranking community leaders.

Each pool is funded by a **percent % of the total company-wide trading yield** generated bi-weekly — shared equally among all qualified achievers in that pool.

Bonus Pool Source: ORCA AI Agent trading base revenue

Distribution Ratio: ORCA 5: 3% | ORCA 6: 3% | ORCA 7: 3% | ORCA 8: 2% | ORCA 9: 2%

Qualification is determined by your active **Rank** and maintained **Self Investment** at the time of distribution.

Example:

Company Yield
\$6,000,000

Pool 1 Allocation/ Qualifier
\$180,000/ 30

Pool 2 Allocation/ Qualifier
\$180,000/ 5

Pool 3 Allocation/ Qualifier
\$180,000/ 2

If, Bi-weekly Company Yield = **\$6,000,000** Pool 3 allocation = **\$180,000**

If, you are rank Orca 7, you can receives **\$180,000 / 2**

= \$90,000

GB Pool	Required Rank	Company Profit	Distribution
Pool 1,2,3	Orca 5,6,7	3%	Divided by the number of achievers
Pool 4,5	Orca 8,9	2%	Divided by the number of achievers
